

## HORNSEA EXPLORER SCOUTS.

A late welcome back after summer! Yes I know..... But I have been very tied up with family business,

A big thanks to the explorers and other leaders for soldering on without me things should now carry on as normal.

A reminder that our census is due at the beginning of January so if it could be paid by the end of term please, the cost is £27 each, we pay this direct to scout headquarters for insurance.

The last night of term will be 20<sup>th</sup> Dec when we will be holding a party alongside the scouts (and after) this is to be FANCY DRESS, and I know how fantastic you lot are with the variety of fantastic ideas that you can come up with, just a thought to consider though remember that the hut is not the warmest place in dec and there will be games to play. There will be prizes for explorer costumes....

This years Christmas dinner and sleep-over will be held in the week of new year as I know I am off duty wed to sun please check your diaries when is best for you.

The group Christmas fayre has altered to be a set of stalls on lights night, the group need your help for this, we need tombola prizes for the stall and we need helpers on the night to set up and run the stalls, this need not be all evening, even 30 mins help would be appreciated.

The leadership team

Sheila, Andrea, Andrew and Richard
