

Xmas is coming... ☺.....but before that there's plenty going on!

Lights Night 30th November

This is the Troops big fundraiser to replenish the empty coffers so we really need any stuff that people would be delighted to win on a tombola – so the worlds your oyster – Be warned though - We will recognise last years recycled unwanted tombola gifts from our stall. Seriously though a nice packet of biscuits / a bottle of wine / some bathroom smellies : they're all very welcome. If you can let us have them as soon as possible that would be great!

Leaflet deliveries

We need volunteers to help deliver some leaflets. This could well be a fairly regular thing and could be a lucrative source of income for the Troop and while I am uncertain at the moment how to allocate money received I 'm thinking this could go to next years summer camp and any scouts who help out will get their fees reduced.

If you can help can you please call in the to the hut for 5 minutes after scouts on Thursday 8th November. Ta

Scout Nights in November

Louise Adamou from the BBC has just confirmed to me that she'll be able to make the 8th November where she will tell us about her experiences in Africa and what we can do to possibly make a difference.

On the 15th we will be having a fun / party night to raise money. We're doing this instead of Children in Need. So please give what you can – we promise a great night with the usual messy fun!!!

Hike Sunday December 9th

Details nearer the time but probably a 12 mile walk starting and finishing in Warter on the Wolds , not far from Pocklington.

Best Wishes

Rob

PS I'm still looking for ideas for summer camp next year! All ideas welcome.
