

Summer Camp – Wednesday 22nd August – Monday 27th August 2007

This years summer camp will take place on the above dates..Thats for definite.....

Location – I had in mind to camp at a site 10 miles from Lymington on the south coast – good news – but the more I look at the site the less impressed I'm becoming. It's a national Guide site and I'm not sure it suit us, not to mention the extortionate amounts that they want to charge me to use their water for kayaking.

However we will be camping on the dates as above so it's a case of trust me for the moment !

Our camp will incorporate a water activity and a visit to something interesting and fun and hopefully a trip to France (subject to the Sun doing the £1 deals!!)

So.....sign up now and be guaranteed space in one of our super deluxe mobile accommodation units!!

I will let you know full details in the next few weeks!

Cost – this will depend on the final choice and how much fundraising we do. I am hopeful that we can get some leaflet delivery work and this will help to keep costs down. As a rough estimate – cost will be in the £100 region

RC

..... will be coming on this years summer camp and I enclose £10 as a deposit.
