

Hi Everyone

We've already made a start on the fund raising for Group funds this year thanks to the Beavers & Cubs.

These two sections are filling Smartie tubes with small change and returning them to us. The Beaver & cub who brings back the highest value in change in a tube will win a prize - so keep saving but remember to return your tube to your section leader by

March 1st 2010.

You are all welcome to come along to our group coffee morning on
13th March
at **St Nicholas Parish Hall**
10am - noon.

There will be refreshments, cake stall & a tombola so if you could bake a cake for the stall to sell that would be great.

Admission will be £1 per person including a drink and piece of cake.
Hope to see you and your friends there.

Help

If you could hold a coffee morning of your own to help raise funds then please see Jackie, Karen or Hilary to help organise it.

Don't forget to use easy fund raising for your internet shopping - it is so easy and costs you nothing - just a thought to remember to use it!

Have you received any unwanted, unused gifts? If so please bring them along to the hut, place in the tub in the entrance and we will recycle them for tombola prizes.

More fund raising events are in the pipeline so watch out for posters and notices advertising these.

Thanks for your support.
